1. UNIVERSITY OVERVIEW

Prestigious University, established in 1887, is a leading private research institution located in Springfield. With a student body of 12,500 undergraduate and 8,000 graduate students, we offer a world-class education combining rigorous academic training with practical experience. Our mission is to educate leaders, foster innovation, and advance knowledge through cutting-edge research. The university is accredited by the Middle States Commission on Higher Education and maintains memberships in numerous academic associations.

Key Facts:

- Founded: 1887
- Student Population: 20,500 (12,500 undergraduate, 8,000 graduate)
- Faculty: 1,200 full-time, 400 part-time
- Student-to-Faculty Ratio: 15:1
- Campus Size: 450 acres
- Buildings: 95
- Endowment: \$2.8 Billion
- Graduation Rate: 92%

MISSION, VISION & VALUES

Mission Statement:

To provide an exceptional education that prepares students for meaningful careers and engaged citizenship, through excellence in teaching, research, and service within a diverse and inclusive community.

Vision Statement:

To be recognized globally as a premier institution advancing human knowledge and shaping future leaders.

Core Values:

- **Academic Excellence:** Commitment to rigorous scholarship and intellectual inquiry
- **Diversity & Inclusion:** Celebrating different backgrounds and perspectives
- **Integrity:** Maintaining highest ethical standards in all endeavors
- **Innovation:** Encouraging creative thinking and pioneering research
- **Community:** Building supportive relationships and contributing to society
- **Sustainability:** Protecting environmental and social responsibility

2. ADMISSION REQUIREMENTS & PROCESS

Undergraduate Admission Requirements:

Freshman applicants must submit the following documents:

- Completed application form (online or paper)
- High school transcript (GPA: minimum 3.5 recommended)
- SAT scores (minimum 1400) or ACT scores (minimum 32)
- Essay (500 words) describing academic interests
- Two teacher recommendations
- Counselor recommendation
- Application fee: \$75 (waived for eligible applicants)

Admission Timeline:

- Application Deadline: January 15 (Regular Decision)
- Early Decision Deadline: November 1
- Notification Date: April 1
- Enrollment Deposit Deadline: May 1

Transfer Admission Requirements:

- Minimum college GPA: 3.0
- Minimum 30 completed college credits
- College transcript from all institutions attended
- Essay explaining reason for transfer
- Recommendation letters (one from professor preferred)

International Student Admission:

- TOEFL score (minimum 100 iBT) or IELTS (minimum 7.0)
- English proficiency documentation
- Proof of financial support (I-20 requirement)
- Passport copy

APPLICATION PROCESS DETAILS

Step-by-Step Application Guide:

Step 1: Create Your Account

Visit the online application portal and create a secure account. You will receive a username and password to track your application status throughout the process.

Step 2: Complete Application Form

Provide personal information, academic background, extracurricular activities, and intended major. The application should take approximately 30-45 minutes to complete.

Step 3: Request Official Documents

Contact your high school registrar to send official transcripts. Request standardized test scores from College Board (SAT) or ACT directly to Prestigious University (Code: 2847).

Step 4: Submit Essays

Complete the required essays addressing topics about your academic interests, personal growth, and career aspirations. Essays should demonstrate clear writing and thoughtful reflection.

Step 5: Obtain Recommendations

Request recommendation letters from teachers who know your academic abilities well. They will submit directly through our portal.

Step 6: Submit Application Fee

Pay the \$75 non-refundable application fee online. Fee waivers are available for qualified students.

Application Status:

You can track your application status 24/7 through the applicant portal. Emails will be sent when recommendations and transcripts are received.

3. ACADEMIC CALENDARS & DEADLINES

2024-2025 Academic Calendar

Fall Semester

- August 25: Faculty returns, meetings begin
- August 28: New student orientation
- September 2: Fall semester classes begin
- September 2 - September 9: Add/Drop period
- November 1: Withdraw deadline (W grade)
- November 27-December 1: Thanksgiving break
- December 9-20: Final examinations
- December 23: Grades posted

Spring Semester

- January 13: Spring semester begins
- January 20: MLK Day (no classes)
- January 13-20: Add/Drop period
- March 1: Withdraw deadline
- March 10-17: Spring break
- April 15: Last day of classes
- April 17-28: Final examinations
- May 1: Grades posted

Summer Sessions

- May 13: Summer I begins (4-week session)
- June 16: Summer II begins (4-week session)
- June 16: Summer Full (8-week session) begins
- August 8: Summer sessions end

Important Deadlines

- January 15: Freshman application deadline
- March 1: FAFSA priority deadline
- May 1: Enrollment deposit deadline
- November 15: Spring early registration deadline

4. UNDERGRADUATE PROGRAMS

Prestigious University offers 85 undergraduate degree programs through seven colleges and schools. Students can earn Bachelor of Arts (B.A.), Bachelor of Science (B.S.), or Bachelor of Business Administration (B.B.A.) degrees.

College of Arts & Sciences

The largest college offering programs in humanities, natural sciences, social sciences, and mathematics. Degrees: B.A. in English, History, Philosophy, Psychology; B.S. in Biology, Chemistry, Physics, Mathematics

School of Business

AACSB-accredited programs preparing students for careers in business, finance, and entrepreneurship. Degrees: B.B.A. in Accounting, Finance, Management, Marketing, Entrepreneurship

School of Engineering

ABET-accredited programs combining theory with hands-on experience. Degrees: B.S. in Civil, Mechanical, Electrical, Chemical, and Software Engineering

College of Education

Preparing future educators with strong pedagogical training. Degrees: B.A. in Elementary Education, Secondary Education, Special Education

College of Health Sciences

Programs preparing healthcare professionals with clinical experience. Degrees: B.S. in Nursing, Health Administration, Public Health, Exercise Science

College of Fine Arts

Combining artistic training with academic rigor. Degrees: B.A./B.F.A. in Visual Arts, Music, Theater, Dance

School of Communication

Programs in journalism, public relations, and digital media. Degrees: B.A. in Journalism, Public Relations, Media Studies, Digital Communication

Degree Requirements:

- Minimum 120 credit hours
- Minimum GPA: 2.0
- Core curriculum: 36 credits
- Major requirements: 30-60 credits
- Electives: remainder of credits

MAJOR & MINOR REQUIREMENTS

Major Requirements:

Each major requires 30-60 credit hours depending on the discipline. All majors include core courses in the discipline, electives, and capstone or thesis projects. Students work closely with academic advisors to plan their coursework.

Sample Major: Computer Science

- Introduction to Computer Science (3 cr)
- Data Structures (3 cr)
- Discrete Mathematics (3 cr)
- Computer Architecture (3 cr)
- Algorithms (3 cr)
- Operating Systems (3 cr)
- Database Systems (3 cr)
- Software Engineering (3 cr)
- Artificial Intelligence (3 cr)
- Capstone Project (3 cr)

Total: 30 core credits + 15 elective credits = 45 credits

Minor Requirements:

Minors require 15-18 credit hours in a specific discipline. Any student may pursue a minor in addition to their major with approval from their academic advisor. Popular minors include:

- Data Science
- Sustainability
- Entrepreneurship
- Global Studies
- Leadership
- Environmental Science

Double Major & Interdisciplinary Programs:

Students may pursue double majors with approval. Interdisciplinary programs combine multiple disciplines, such as Biophysics (Biology + Physics) or Environmental Science (Biology + Geology).

Honors Program:

Exceptional students may pursue honors in their major by completing additional coursework, maintaining a 3.5 GPA, and completing an honors thesis.

5. BIOLOGY DEPARTMENT

The Biology Department offers comprehensive coursework covering foundational and advanced topics. All courses integrate theoretical knowledge with practical applications. Students have access to state-of-the-art laboratories and research facilities.

Course Offerings:

- General Biology I & II
- Organic Chemistry
- Cell Biology
- Genetics
- Ecology
- Molecular Biology
- Biotechnology
- Comparative Anatomy
- Evolution
- Microbiology

Internship & Research Opportunities:

Students are encouraged to participate in faculty-directed research and internships with industry partners. Many courses include capstone projects and field experiences.

Faculty Research Areas:

Faculty members are active researchers with funding from NSF, NIH, and other agencies. Undergraduate students frequently participate in research projects.

5. CHEMISTRY DEPARTMENT

The Chemistry Department offers comprehensive coursework covering foundational and advanced topics. All courses integrate theoretical knowledge with practical applications. Students have access to state-of-the-art laboratories and research facilities.

Course Offerings:

- General Chemistry I & II
- Organic Chemistry I & II
- Physical Chemistry
- Analytical Chemistry
- Biochemistry
- Materials Science
- Environmental Chemistry
- Lab Techniques

Internship & Research Opportunities:

Students are encouraged to participate in faculty-directed research and internships with industry partners. Many courses include capstone projects and field experiences.

Faculty Research Areas:

Faculty members are active researchers with funding from NSF, NIH, and other agencies. Undergraduate students frequently participate in research projects.

5. PHYSICS DEPARTMENT

The Physics Department offers comprehensive coursework covering foundational and advanced topics. All courses integrate theoretical knowledge with practical applications. Students have access to state-of-the-art laboratories and research facilities.

Course Offerings:

- Physics I & II
- Modern Physics
- Quantum Mechanics
- Thermodynamics
- Electromagnetism
- Astrophysics
- Optics

Internship & Research Opportunities:

Students are encouraged to participate in faculty-directed research and internships with industry partners. Many courses include capstone projects and field experiences.

Faculty Research Areas:

Faculty members are active researchers with funding from NSF, NIH, and other agencies. Undergraduate students frequently participate in research projects.

5. MATHEMATICS DEPARTMENT

The Mathematics Department offers comprehensive coursework covering foundational and advanced topics. All courses integrate theoretical knowledge with practical applications. Students have access to state-of-the-art laboratories and research facilities.

Course Offerings:

- Calculus I-IV
- Linear Algebra
- Differential Equations
- Real Analysis
- Abstract Algebra
- Topology
- Numerical Methods

Internship & Research Opportunities:

Students are encouraged to participate in faculty-directed research and internships with industry partners. Many courses include capstone projects and field experiences.

Faculty Research Areas:

Faculty members are active researchers with funding from NSF, NIH, and other agencies. Undergraduate students frequently participate in research projects.

5. ENGLISH DEPARTMENT

The English Department offers comprehensive coursework covering foundational and advanced topics. All courses integrate theoretical knowledge with practical applications. Students have access to state-of-the-art laboratories and research facilities.

Course Offerings:

- American Literature
- British Literature
- World Literature
- Shakespeare
- Writing Studies
- Poetry
- Fiction
- Literary Theory

Internship & Research Opportunities:

Students are encouraged to participate in faculty-directed research and internships with industry partners. Many courses include capstone projects and field experiences.

Faculty Research Areas:

Faculty members are active researchers with funding from NSF, NIH, and other agencies. Undergraduate students frequently participate in research projects.

5. HISTORY DEPARTMENT

The History Department offers comprehensive coursework covering foundational and advanced topics. All courses integrate theoretical knowledge with practical applications. Students have access to state-of-the-art laboratories and research facilities.

Course Offerings:

- World History I & II
- U.S. History I & II
- European History
- Asian History
- African History
- History of Science
- Cultural History

Internship & Research Opportunities:

Students are encouraged to participate in faculty-directed research and internships with industry partners. Many courses include capstone projects and field experiences.

Faculty Research Areas:

Faculty members are active researchers with funding from NSF, NIH, and other agencies. Undergraduate students frequently participate in research projects.

6. GRADUATE PROGRAMS

Prestigious University offers 65 graduate degree programs, including Master's and Doctoral degrees. Graduate programs are designed for professionals seeking advanced knowledge and research expertise.

Master's Degree Programs (1-2 years)

- Master of Arts (M.A.) in 25 disciplines
- Master of Science (M.S.) in 20 disciplines
- Master of Business Administration (M.B.A.)
- Master of Public Administration (M.P.A.)
- Master of Fine Arts (M.F.A.)
- Master of Social Work (M.S.W.)

Doctoral Programs (4-7 years)

- Doctor of Philosophy (Ph.D.) in 18 disciplines
- Doctor of Medicine (M.D.) - through affiliated medical school
- Doctor of Education (Ed.D.)
- Doctor of Psychology (Psy.D.)

Graduate Admission Requirements:

- Bachelor's degree from accredited institution
- Minimum undergraduate GPA: 3.0
- GRE scores (required for most programs)
- GMAT scores (required for M.B.A.)
- Statement of purpose
- Letters of recommendation (3)
- Resume or CV
- Application fee: \$85

Financial Support for Graduate Students:

- Graduate assistantships: \$15,000-\$25,000/year
- Fellowships: \$20,000-\$40,000/year
- Tuition waivers for eligible research assistants
- Scholarships: various merit-based awards
- Loans: federal and private loan options

7. TUITION & FEES

2024-2025 Undergraduate Tuition & Fees

Full-Time Undergraduate (12-18 credits/semester)

- Tuition: \$32,000/semester
- Student Services Fee: \$800/semester
- Technology Fee: \$150/semester
- Parking Fee: \$200/semester (optional)
- Health Insurance: \$1,500/semester
- **Total per semester: \$34,650**
- **Total per year: \$69,300**

Graduate Tuition & Fees

- Master's programs: \$24,000/semester
- Doctoral programs: \$12,000/semester (after first year)
- Student Services Fee: \$600/semester
- Technology Fee: \$100/semester

Part-Time Undergraduate (under 12 credits/semester)

- Tuition: \$1,500 per credit hour
- Student Services Fee: \$400/semester
- Technology Fee: \$75/semester

Room & Board (On-Campus)

- Residence Hall: \$7,500/year
- Meal Plan (19 meals/week): \$4,500/year
- **Total Room & Board: \$12,000/year**

Books & Supplies

- Estimated: \$1,200/year

Personal Expenses

- Estimated: \$2,000/year

Total Cost of Attendance (Full-Time Undergraduate)

- **In-state: \$84,500/year**
- **Out-of-state: \$84,500/year** (same cost for all students)

Payment Plans

Tuition can be paid in full or through monthly payment plans at no additional charge.

8. FINANCIAL AID & SCHOLARSHIPS

Types of Financial Aid

Merit-Based Scholarships

Awarded based on academic achievement, test scores, and accomplishments.

- Presidential Scholarship: Full tuition (GPA 3.8+, SAT 1500+)
- Provost Scholarship: \$25,000/year (GPA 3.7+, SAT 1450+)
- Dean's Scholarship: \$15,000/year (GPA 3.5+, SAT 1400+)
- Merit Award: \$10,000/year (GPA 3.3+, SAT 1350+)
- Opportunity Award: \$5,000/year (GPA 3.0+)

Need-Based Financial Aid

Determined by FAFSA. Prestigious University meets 100% of demonstrated need.

- Federal Pell Grant: Up to \$6,895/year
- Institutional Grant: Varies based on need
- Work-Study: \$2,500/year average

Specialized Scholarships

- Legacy Scholarship: \$5,000 (parents/grandparents attended)
- First-Generation Scholarship: \$7,000
- Diversity Scholarship: Up to \$20,000
- Athlete Scholarship: Varies (NCAA sports)
- Arts Scholarship: Up to \$15,000 (portfolio required)

Loans

- Federal Stafford Loans: Up to \$31,000 total
- Federal PLUS Loans: Up to cost of attendance minus aid
- Private Loans: Variable rates, multiple lenders

Application for Financial Aid

- Complete FAFSA at fafsa.gov by March 1
- Prestigious University FAFSA code: 002847
- Submit CSS Profile for institutional aid (if required)
- Provide tax documents and verification if selected

Scholarship Application Deadlines

- Merit scholarships: Automatic with admission
- External scholarships: Various (deadlines provided on website)
- Graduate assistantships: January 15

Financial Aid Office Hours

- Monday-Friday: 8:30 AM - 5:00 PM
- Phone: (555) 123-4567 ext. 5000
- Email: financialaid@prestigiousuniversity.edu
- Walk-ins welcome, appointments recommended

9. STUDENT HOUSING

On-Campus Housing

Prestigious University provides housing for approximately 8,000 students. Housing is guaranteed for first-year students and available to upperclassmen on a space-available basis.

Residence Hall Types

- Traditional Dorms: 2-4 students per room, shared bathrooms
- Modern Residence Halls: Suite-style (2-4 bedrooms), private bathrooms
- Theme Communities: Focus on specific interests (Honors, STEM, Arts, Wellness)
- Graduate Housing: Private apartments for graduate students
- Family Housing: Apartments for students with families

Housing Costs (2024-2025)

- Standard Double Room: \$7,500/year
- Single Room: \$8,500/year
- Suite: \$9,000/year
- Graduate Apartment (1-bed): \$6,500/year
- Graduate Apartment (2-bed): \$8,000/year

Housing Application Process

1. Apply online through housing portal
2. Pay non-refundable deposit: \$500
3. Complete housing preferences survey
4. Receive housing assignment (April for returning students)
5. Return signed housing contract

Housing Selection Timeline

- First-year students: Assignments made by June
- Continuing students: Selection April-May (by seniority)
- Graduate students: Rolling basis, year-round

Residential Life Programs

- Resident Advisors (RAs) on each floor
- Community events and activities
- Peer mentoring programs
- Academic support study groups
- Wellness and fitness programs
- Community service initiatives

Off-Campus Housing

Juniors and seniors may live off-campus. The university maintains a list of approved housing near campus. Average rent for a shared apartment: \$600-\$900/month.

10. CAMPUS FACILITIES & RESOURCES

Academic Facilities

- Main Library: 1.2 million volumes, 24-hour study areas
- Science Building: 15 research labs, advanced microscopy
- Engineering Center: CAD labs, maker spaces, 3D printing
- Technology Center: Computer labs, software licenses, tech support
- Art Studios: Painting, sculpture, digital art facilities
- Performance Venues: Concert hall, theater, dance studios

Student Life Facilities

- Student Center: Food court, gaming, event space
- Recreation Center: Gymnasium, swimming pool, fitness studios
- Outdoor Adventure Center: Equipment rental, climbing wall
- Wellness Center: Health services, counseling, fitness programs
- Sports Complex: 12 practice fields, indoor track, tennis courts

Library Services

- 1.2 million print volumes
- 500+ electronic databases
- 50,000+ e-journals
- Subject specialist librarians
- Research consultation services
- Interlibrary loan system
- 24-hour study areas
- Group study rooms (reservable)
- Writing center consultations
- Information literacy instruction

Technology Services

- Wireless internet throughout campus
- Computer labs in every building
- Learning management system (Canvas)
- Email and cloud storage (Google Workspace)
- Virtual private network (VPN)
- Tech support helpdesk: 24/7
- Device repair services
- Software licensing for students

Dining Services

- Main dining hall: 2,000 seat capacity
- Specialty restaurants (Asian, Mediterranean, Vegetarian)
- Convenience stores in residence halls
- Outdoor food court
- Catering services
- Meal plans: 14, 19, or unlimited meals/week

11. STUDENT LIFE & ORGANIZATIONS

Student Organizations

Over 300 registered student organizations covering academic, cultural, religious, and recreational interests.

Academic Clubs:

- Engineering Society
- Premed Club
- Business Leadership Association
- Computer Science Club
- Debate Team
- Model United Nations

Cultural Organizations:

- African Student Association
- Asian Student Organization
- Latino Student Association
- LGBTQ+ Alliance
- International Students Club
- Religious life organizations (20+ faiths)

Recreation & Sports:

- NCAA Division III Athletics (22 sports)
- Intramural sports (40+ options)
- Club sports (30+ organizations)
- Outdoor recreation club
- Cycling team
- Rock climbing club

Arts & Entertainment:

- Concert band
- Jazz ensemble
- Theater productions (3-4 per year)
- Dance company
- Film club
- Comedy troupe

Service & Leadership:

- Community service organizations
- Habitat for Humanity
- Student government
- Resident assistant program
- Peer mentoring
- Leadership development programs

Student Government

The Undergraduate Student Government Association (USGA) represents all undergraduate students. Student leaders serve on university committees and plan campus events.

Campus Events

- Fall Welcome Festival
- Homecoming (October)
- Spring Fling (April)
- Alumni Weekend
- Concerts and speakers
- International festival
- Annual gala and formal dances

12. ACADEMIC POLICIES & STANDARDS

Grade Scale & GPA

- A (90-100): 4.0 points
- B (80-89): 3.0 points
- C (70-79): 2.0 points
- D (60-69): 1.0 points
- F (below 60): 0 points
- P (Pass): No grade point value
- W (Withdraw): No grade point value

Academic Standing

- Good Standing: GPA 2.0 or higher
- Academic Probation: GPA falls below 2.0
- Academic Suspension: Continued poor performance
- Dean's List: GPA 3.5 or higher (full-time students)

Course Requirements

- Full-time enrollment: 12-18 credits/semester
- Part-time enrollment: Under 12 credits/semester
- Graduate students: 6-12 credits/semester (varies by program)

Grading Options

Students may elect to take one course per semester on a Pass/No Pass basis:

- Pass (P): Equivalent to C or better
- No Pass (NP): No credit awarded
- Grade option deadline: Week 8 of semester

Grade Appeals

Students may appeal a grade through the following process:

1. Discuss with professor within 2 weeks of receiving grade
2. Submit written appeal to department chair if unresolved
3. Appeal to dean if necessary
4. Grade appeals reviewed within 30 days

Withdrawal from Courses

- Add/Drop (no grade): First 2 weeks
- Withdrawal with W grade: Up to week 12
- Medical withdrawal: Approved by health services
- Automatic F if withdrawn after deadline

Incomplete Grades

Incomplete (I) grades may be given if:

- Student has completed most coursework
- Illness or emergency prevents completion
- Agreement between student and professor
- Must be resolved within one year

Course Load Expectations

- Average: 15 credits/semester (5 courses)
- Full-time students: 12-18 credits
- May not exceed 18 without dean approval
- Graduate students: Check program requirements

ACADEMIC INTEGRITY & CONDUCT CODE

Academic Integrity Policy

All members of the Prestigious University community are expected to maintain the highest standards of academic integrity. Violations may result in disciplinary action.

Prohibited Conduct:

- Plagiarism: Using others' words or ideas without attribution
- Cheating: Unauthorized assistance on exams or assignments
- Fabrication: Making up sources or data
- Collusion: Unauthorized collaboration
- Unauthorized access: Using others' work without permission
- Multiple submission: Submitting same work in multiple classes

Responsibilities

Faculty:

- Set clear expectations for work requirements
- Detect and report violations
- Recommend appropriate sanctions

Students:

- Understand requirements for different assignments
- Seek clarification from professors
- Properly cite all sources
- Maintain academic honesty

Consequences for Violations

- First offense: F on assignment, warning, or probation
- Second offense: F in course, suspension
- Serious offense: Expulsion
- Dismissal recorded on transcript
- May impact graduate school/employment

Academic Integrity Procedures

1. Faculty member meets with student
2. Student may respond to allegations
3. Dean reviews case
4. Appropriate sanction determined
5. Student may appeal to Academic Integrity Board

Citation Guidelines

- MLA format (Humanities)
- APA format (Social Sciences)
- Chicago Manual of Style
- IEEE format (Engineering)
- Consult Purdue OWL for specific guidance

Student Conduct Code

Students are expected to follow university conduct policies:

- No weapons on campus
- No harassment or discrimination
- Respect others' property
- Abide by local, state, and federal laws
- No substance abuse
- Respectful communication
- Compliance with university policies

13. DISCIPLINARY PROCESS & APPEALS

Conduct Violation Procedures

Step 1: Alleged Violation Reported

Violations may be reported by faculty, staff, students, or the Office of Student Conduct. Reporter completes incident report with details.

Step 2: Initial Meeting

Student is notified of alleged violation and invited to initial meeting with conduct officer. Student may bring advisor. Meeting usually within 5 business days.

Step 3: Student Response

Student may accept responsibility or request formal hearing. If accepted, sanctions determined by conduct officer.

Step 4: Formal Hearing (if requested)

Conduct board hears evidence from both sides. Student may present witnesses and evidence. Hearing conducted within 15 days of request.

Step 5: Decision & Sanctions

Board determines responsibility and appropriate sanctions. Student notified in writing within 5 days.

Possible Sanctions

- Warning
- Probation (with specific conditions)
- Mandatory counseling
- Community service
- Fines or restitution
- Housing loss
- Suspension (temporary dismissal)
- Expulsion (permanent dismissal)

Appeal Process

1. Written appeal filed within 10 days
2. Appeal reviewed by Dean of Students
3. Limited scope: procedural errors or new evidence
4. Decision made within 15 days
5. Final decision issued

Rights of the Accused

- Right to due process
- Right to know charges
- Right to be heard
- Right to representation/advisor
- Right to appeal
- Right to confidentiality
- Presumption of innocence

Emergency Removal

In cases of immediate threat to safety, students may be removed pending full hearing.

14. HEALTH & WELLNESS SERVICES

Student Health Center

Located on campus, the Student Health Center provides preventive and acute care services to all students. Services are included in student health fees.

Services Offered:

- Primary care physician visits
- Urgent care (same-day appointments)
- Preventive health screenings
- Immunizations and vaccinations
- Sexual and reproductive health
- Treatment of common illnesses
- Physical examinations
- Allergy testing and treatment
- Pharmacy services

Health Center Hours

- Monday-Friday: 8:00 AM - 6:00 PM
- Saturday: 10:00 AM - 2:00 PM
- After-hours: Emergency room information available

Mental Health & Counseling Services

The Counseling Center provides free confidential services to all students:

- Individual counseling/therapy
- Crisis intervention (24/7 hotline)
- Group counseling
- Workshops on stress management, anxiety, depression
- Referrals to outside providers
- Peer support groups
- Eating disorder support
- Substance abuse counseling
- LGBTQ+ support services

Crisis Resources

- Campus Crisis Team: (555) 123-4567
- National Suicide Prevention Lifeline: 988
- Crisis Text Line: Text HOME to 741741
- Campus Police (emergency): 911

Wellness Programs

- Fitness classes (yoga, zumba, cardio)
- Recreation center membership included
- Health education workshops
- Nutrition counseling
- Stress reduction programs
- Sleep health clinics
- Substance abuse awareness programs
- Sexual assault prevention training

Health Insurance

- Health insurance required for all students
- University plan available: \$1,500/semester
- External insurance accepted
- Waiver form required if using external plan
- International students must enroll

15. CAREER SERVICES

Career Services Department

The Career Services Office assists all students in career exploration and job placement. Services are free to all students and alumni.

Services Available:

- Individual career counseling
- Resume and cover letter review
- Interview preparation and practice
- Salary negotiation coaching
- Graduate school preparation
- Career assessments and testing
- Internship placement
- Alumni networking events
- Job fair participation

Internship Program

Most undergraduate students complete at least one internship during their studies. The university has partnerships with over 500 employers across industries.

- Paid internships available
- Academic credit for internships
- Support from faculty advisor
- Access to internship database
- Internship placement assistance

Career Fairs

- Fall Career Expo (September) - 150+ employers
- Spring Career Fair (March) - 200+ employers
- Industry-specific fairs throughout year
- Graduate school fair (April)

Job Placement

- Dedicated job board for student/alumni postings
- On-campus recruitment by major employers
- Alumni mentoring program
- Salary and placement data by major
- 95% of graduates employed within 6 months

Employer Partnerships

Major employers recruiting from Prestigious University include:

- Google, Microsoft, Apple, Amazon (Technology)
- Goldman Sachs, Morgan Stanley, JPMorgan (Finance)
- Deloitte, EY, PwC, KPMG (Consulting)
- Procter & Gamble, Coca-Cola (Consumer Goods)
- Intel, IBM, Cisco Systems (Engineering)
- And many more across all industries

Alumni Career Connections

Over 80,000 alumni network available for:

- Informational interviews
- Mentoring relationships
- Networking opportunities
- Professional development
- Lifelong career support

16. LIBRARY & INFORMATION RESOURCES

Main Library Overview

The Main Library is the heart of academic life at Prestigious University. Built in 1965 and recently renovated, it combines traditional library services with cutting-edge technology.

Collections

- 1.2 million print volumes
- 500,000+ e-books
- 50,000+ electronic journals
- 500+ electronic databases
- Government documents and archives
- Special collections and rare books
- Microfilm and microfiches
- Audio/visual materials

Specialized Libraries

- Science & Engineering Library
- Business & Economics Library
- Music Library
- Art & Architecture Library
- Education Library
- Law Library (for students)
- Medical Library (partnerships)

Library Services

- Reference assistance (in-person, chat, phone)
- Subject specialist librarians
- Research consultations (book now)
- Interlibrary loan system
- Document delivery service
- Course reserves
- Citation formatting help
- Research guides by subject

Study Spaces

- 300+ individual study carrels
- 50+ group study rooms (reservable)
- 24-hour quiet study area
- Collaborative learning spaces
- Presentation practice rooms

Technology in Libraries

- 400+ computers available
- High-speed internet (wired and wireless)
- Large format printers
- Scanning and digitization services
- Video production equipment
- 3D printing (select library)
- Virtual reality station

Library Hours

- Monday-Thursday: 7:00 AM - Midnight
- Friday: 7:00 AM - 10:00 PM
- Saturday: 10:00 AM - 10:00 PM
- Sunday: 10:00 AM - Midnight
- Holiday hours vary

Database Access

- JSTOR (journals, books, primary sources)
- ProQuest (dissertations, newspapers)
- EBSCOhost (multiple databases)
- Lexis Nexis (legal and news)
- Bloomberg Terminal (financial data)
- Access from on-campus or via VPN

17. TECHNOLOGY SERVICES

Information Technology (IT) Department

The IT department provides comprehensive technology support and infrastructure to all students, faculty, and staff.

Computing Resources

- Computer labs in every academic building
- 1,000+ computers for student use
- Mac and Windows systems available
- Specialized software for each discipline
- High-performance computing cluster
- Servers and cloud storage
- Backup and disaster recovery systems

Network & Connectivity

- Wireless internet (WiFi) throughout campus
- High-speed wired connections in labs
- Virtual Private Network (VPN) access
- Multi-device support (phones, tablets, laptops)
- Network speed: 1 Gbps to buildings
- 99.9% uptime guarantee

Email & Collaboration Tools

- Google Workspace for all users
- Gmail (unlimited storage)
- Google Drive (unlimited storage)
- Google Meet (video conferencing)
- Google Calendar
- Google Docs/Sheets/Slides
- Calendar sharing and scheduling

Learning Management System (LMS)

- Canvas platform for all courses
- Assignment submission
- Gradebook access
- Course announcements
- Discussion forums
- Video streaming
- Plagiarism detection (Turnitin)
- Mobile app available

Software Available to Students

- Microsoft Office 365 (desktop and web)
- Adobe Creative Suite (Photoshop, Illustrator, Premier)
- MATLAB and Mathematica
- Statistical software (SPSS, R, SAS)
- Visual Studio (development tools)
- AutoCAD and engineering software
- Antivirus and security software

- Virtual machine software

Tech Support

- Help Desk: (555) 555-9999
- Email: help@prestigiousuniversity.edu
- Chat: available on IT website
- In-person at IT Service Center
- Monday-Friday: 8:00 AM - 8:00 PM
- Saturday-Sunday: 1:00 PM - 5:00 PM
- Emergency on-call support available
- Average response time: 4 hours

Device Management

- Mobile device management (MDM)
- Device registration required
- Device encryption
- Lost/stolen device reporting
- Device lifecycle management

18. ACCESSIBILITY & DISABILITY SERVICES

Office of Accessibility & Disability Services (ADS)

The ADS office is committed to providing equal access and support to all students with disabilities. Services are confidential and individualized.

Disability Accommodations

Students with documented disabilities may receive accommodations including:

- Extended test time
- Separate testing location
- Note-taking assistance
- Sign language interpreters
- CART captioning services
- Recorded lectures
- Accessible textbooks (digital, large print, audio)
- Course priority registration
- Accessible housing
- Service animals on campus
- Mobility assistance
- Assistive technology

Application Process

1. Register with ADS office
2. Provide documentation of disability
3. Attend intake meeting
4. Develop accommodation plan
5. Instructors notified (with student permission)
6. Accommodations provided each semester

Required Documentation

- Psychoeducational evaluation (learning disabilities)
- Medical documentation (physical disabilities)
- Psychiatry report (psychiatric conditions)
- Audiological assessment (hearing loss)
- Within last 3 years preferred
- Contact ADS for specific requirements

Assistive Technology

- JAWS screen reader
- NVDA screen reader
- Dragon speech recognition
- Text-to-speech software
- Speech-to-text software
- Magnification software
- Accessibility evaluations

Campus Accessibility

- All buildings with accessible entrances
- Elevator access to all floors

- Accessible parking near buildings
- Curb cuts and ramps
- Accessible restrooms
- Accessible residence halls
- Tactile markers and wayfinding

Contact Information

- Office of Accessibility & Disability Services
- Location: Building A, Room 105
- Phone: (555) 123-4567 ext. 5500
- Email: accessibility@prestigiousuniversity.edu
- Fax: (555) 123-5678

19. INTERNATIONAL STUDENT SERVICES

International Student Center

Prestigious University welcomes students from over 100 countries. The International Student Center provides support for visa, academic, and personal issues.

Visa & Immigration Services

- F-1 visa information and documentation
- I-20 issuance and updates
- SEVIS compliance support
- Work authorization (CPT, OPT)
- Immigration law consultations
- Document verification
- Visa extension assistance
- Dependents' visa support

Pre-Arrival Support

- Housing assistance
- Orientation materials
- Arrival logistics
- Weather and climate information
- Cultural orientation resources
- English language placement
- Airport pickup coordination

On-Campus Support

- International student orientation (1 week)
- Cultural adjustment counseling
- Cross-cultural mentoring program
- International student social events
- Buddy system with domestic students
- Immigration advising
- Academic support
- Career services for international students

English Language Support

- English Language Program (ELP)
- ESL courses (non-credit)
- Tutoring in written English
- Conversation practice groups
- TOEFL/IELTS preparation
- Academic writing workshops

International Student Organizations

- International Students Club
- Country-specific associations
- Cultural organizations (50+ available)
- Religious organizations
- Outdoor recreation groups
- Academic clubs

Insurance Requirements

- Health insurance required
- University plan available
- Accident and sickness insurance
- Cost: included in fees
- Pre-existing condition waiting period

Contact Information

- International Student Center
- Location: Building B, Room 200
- Phone: (555) 123-4567 ext. 5400
- Email: intlstudents@prestigiousuniversity.edu

20. GRADUATION REQUIREMENTS & PROCEDURES

Bachelor's Degree Requirements

To earn a Bachelor's degree from Prestigious University, students must complete the following:

Credit Hours

- Minimum 120 total credit hours
- 60 credits must be upper-level (300+)
- Credits must be from accredited institutions

Grade Point Average

- Minimum 2.0 cumulative GPA
- Minimum 2.0 in major courses
- Minimum 2.0 in core courses

Core Curriculum

All students must complete 36 credits from:

- English Composition (6 credits)
- Mathematics (6 credits)
- Natural Sciences (6 credits)
- Social Sciences (6 credits)
- Humanities (6 credits)
- Electives (6 credits)

Major Requirements

- Minimum 30 credits in major
- Specified courses per major
- Capstone project or thesis often required
- Major GPA requirement varies

Residency Requirement

- Final 30 credits must be from Prestigious University
- Transfer students must complete at least 2 semesters
- Some programs require more residency

Graduation Application

- Submit during semester before graduation
- Application deadline: 6 weeks before graduation
- Non-refundable graduation fee: \$150
- Available online through student portal

Graduation Timeline

- Fall graduation: December (early applications September 1)
- Spring graduation: May (early applications January 1)
- Summer graduation: August (early applications May 1)

Commencement Ceremonies

- Spring ceremony: May (largest, ~3,000 graduates)

- Fall ceremony: December (~500 graduates)
- Summer ceremony: August (~400 graduates)
- Multiple ceremonies by school/college
- Tickets available to graduates and families

Degree Conferral

- Degrees conferred on graduation date
- Diploma mailed within 4 weeks
- Official transcripts issued upon request
- GPA frozen at graduation
- Classes after graduation do not affect GPA

Honors at Graduation

- Summa Cum Laude: 3.85 GPA (top 5%)
- Magna Cum Laude: 3.65 GPA (top 15%)
- Cum Laude: 3.45 GPA (top 25%)
- Honors designation on diploma and transcript
- Based on final cumulative GPA

Graduate Degree Requirements

- Master's: 30-36 credits (varies by program)
- Doctoral programs: 60-90+ credits
- Minimum GPA: 3.0
- Thesis/dissertation required for most doctorates
- Time limit: 6 years for master's, 10 years for doctorate

COLLEGE OF BUSINESS - DETAILED PROGRAMS

Bachelor of Business Administration Programs

Our B.B.A. programs combine business theory with practical application. All students complete a comprehensive business core before specializing.

Accounting Program

Prepares students for CPA exam. Curriculum includes financial accounting, managerial accounting, auditing, taxation, and accounting information systems.

Finance Program

Covers corporate finance, investments, financial markets, risk management, and international finance. Strong emphasis on quantitative analysis and financial modeling.

Management Program

Focuses on organizational behavior, strategic management, operations management, and business ethics. Develops leadership and critical thinking skills.

Marketing Program

Covers marketing strategy, consumer behavior, digital marketing, brand management, and market research. Real-world projects with actual clients.

Entrepreneurship Program

Prepares students to start and manage businesses. Includes business plan development, venture capital, and startup management.

Business Internship Requirements

- Minimum 300 hours (12-16 weeks)
- Must be completed before graduation
- Unpaid or paid internships acceptable
- Faculty mentor assigned
- Reflection paper required
- Career-related field required

SCHOOL OF ENGINEERING - SPECIALIZATIONS

Engineering Degree Programs

All engineering programs are ABET-accredited and meet rigorous academic standards. Students complete rigorous coursework combined with lab work and design projects.

Civil Engineering

Focuses on infrastructure design and construction. Courses include structural analysis, transportation engineering, water resources, and geotechnical engineering.

Mechanical Engineering

Emphasizes mechanical systems design. Core areas: thermodynamics, fluid mechanics, machine design, and controls.

Electrical Engineering

Covers electrical systems and devices. Topics: circuits, electromagnetics, power systems, and signal processing.

Chemical Engineering

Applies chemistry to large-scale manufacturing. Includes process design, heat transfer, and mass transfer.

Software Engineering

Prepares software developers and engineers. Focus on software design patterns, system architecture, and software testing.

Design Capstone Project

- Required of all engineering seniors
- 6-month team project
- Real-world design problem
- Budget and resource constraints
- Presentation to industry professionals
- Patent opportunities available

STUDENT SUPPORT SERVICES

Academic Success Center

The Academic Success Center provides free tutoring and study skills support to all students.

Tutoring Services

- Subject-specific tutoring (walk-in and appointments)
- Group study sessions
- Exam preparation workshops
- Writing consultations
- Quantitative skills support
- Peer tutors trained in learning theories
- Unlimited tutoring sessions

Study Skills Workshops

- Time management
- Note-taking strategies
- Test-taking strategies
- Reading comprehension
- Memory techniques
- Overcoming procrastination
- Stress management

Writing Center

Dedicated to improving student writing across all disciplines.

- One-on-one writing consultations
- Brainstorming and outlining help
- Research paper assistance
- Citation format guidance (MLA, APA, Chicago)
- Editing and revision support
- Graduate thesis assistance
- Drop-in hours and appointments available

FIRST-YEAR PROGRAMS

First-Year Experience

Prestigious University is committed to student success and retention. First-year programs support the transition to college life.

First-Year Seminar

- Required of all new students
- 1 credit course
- Small class size (15 students)
- Faculty-led or peer-led options
- Topics: college transition, time management, academic success
- Meets weekly for full academic year

First-Year Learning Communities

Cohorts of 25-30 students live together and take classes together.

- STEM community (science, technology, engineering, math)
- Business community
- Arts and humanities community
- Leadership community
- Honors community
- Wellness community
- International perspective community

New Student Orientation

- 3-day program in late August
- Campus tour
- Advising and registration
- Social events
- Academic expectations session
- Safety and wellness training
- Parent/family program included

DIVERSITY & INCLUSION INITIATIVES

Office of Diversity, Equity & Inclusion

Prestigious University is committed to creating an inclusive campus community where all students, faculty, and staff feel valued.

Diversity Programs

- Student diversity organizations (50+ groups)
- Cultural centers and spaces
- Affinity mentoring programs
- Diversity training for student leaders
- Inclusive curriculum initiatives
- Bias response team
- Hate-free zone training

Identity Support

- LGBTQ+ resource center and support groups
- Gender-inclusive housing options
- All-gender restrooms
- Religious life support (multiple faiths)
- Veterans and military-connected student support
- First-generation student programs
- Multicultural student programs

Diversity Scholarships

- Multicultural Achievement Scholarship: up to \$20,000
- LGBTQ+ scholarship: up to \$10,000
- International student scholarship: \$15,000
- First-generation scholarship: \$7,000
- Veteran scholarship: \$5,000

RESEARCH OPPORTUNITIES

Undergraduate Research

Prestigious University provides numerous opportunities for undergraduates to engage in research with faculty mentors.

Summer Research Program

- Funded research internships (10 weeks)
- Stipend: \$5,000-\$7,000
- Housing provided
- Available in all disciplines
- Applications due: February 15
- Faculty mentor assigned
- Final presentations required

Independent Research

- 1-6 credits available
- Arranged with faculty mentor
- Various topics and disciplines
- Registration required
- Can be combined with courses

Research Symposium

- Annual event in April
- 400+ student presentations
- Poster and oral presentations
- Open to public
- Awards for outstanding research
- Opportunity to network with researchers

Funding Available

- NSF grants to faculty (funds student researchers)
- NIH grants (health sciences)
- Humanities endowments
- Student research grants (up to \$2,000)
- Travel grants for conferences (up to \$1,000)

GRADUATE STUDENT SUPPORT

Graduate School Services

Graduate Assistantships

Teaching Assistants (TAs) and Research Assistants (RAs) receive:

- Stipend: \$15,000-\$25,000/year
- Full tuition waiver
- Health insurance coverage
- 20 hours/week maximum work requirement
- Professional development funding
- Conference travel funding

Graduate Student Housing

- Private one-bedroom apartments
- Furnished options available
- Utilities included in rent
- Furnished: \$850/month
- Unfurnished: \$750/month
- Family housing available (2-bed)
- Pet-friendly housing available

Graduate Professional Development

- Conference travel grants
- Teaching assistant training
- Research workshops
- Writing workshops
- Dissertation support groups
- Professional development seminar
- Career services for graduate students

ALUMNI SERVICES & ENGAGEMENT

Office of Alumni Relations

Prestigious University maintains strong connections with over 80,000 alumni worldwide.

Alumni Network

- Alumni chapters in 50+ cities
- Annual reunion activities
- Regional networking events
- Online alumni directory
- Mentoring opportunities
- Job opportunities board
- Social media communities

Alumni Benefits

- Lifetime email forwarding
- Library access and privileges
- Career services access
- Alumni magazine (quarterly)
- University athletic tickets (discounted)
- Continuing education classes
- Alumni credit card
- Insurance and financial services

Homecoming & Reunions

- Homecoming: October
- Class reunions: every 5 years
- Spring reunion: May
- Special events and parties
- Athletic competitions
- Awards and recognition ceremonies
